Mercedes absent attending a Drysdale Sports Precinct? Meeting at Springdale

Mercedes is applying for a Geelong Councillor's Grant for the Art Show

Letter of resignation received from June Alexander for personal medical reasons. It is best not to contact June at this time.

Sadly Past President Bob Crouch has passed away. Bob was a member for many years and did much work to get the Miniature Railway up and running.

For next week Keith W to send Bulletin notes to Stuart, but a new Bulletin Editor is required as soon as possible. Contact Keith Stas if you can help out

We have been contacted re organising a BBO on Fri 22 Oct for children attending a Water Watch activity at McLeod's Waterholes in Drysdale.

Official Opening Of Pt Richards Boat Ramp – 27 August

Stuart attended the opening on behalf of the Club and the Train Committee (Joe and Brian Gray – thank you boys) opened the station so Bellarine Bayside could host morning tea for the transport Minister, Lisa Neville etc. It was indicated our chances of obtaining grants from the State Govt. is quite good at this time.

Treasurer's Report

All going well, the Train Account is in debit because of the funds used to redo the trainset trailer for the Geelong show in October.

Secretary's Report

Letters received confirming John Brumley and Ron Medson had passed the Working With Children check. Please organise this as it is required for Train and Jumping castle operations – Club will reimburse any associated costs.

The Board has confirmed that attendance at a Train Running Day, the Art Show, official Committee Meetings, Board Meetings and District Meetings will be accepted as make-ups. Please advise Ivan if you are using this form of make-up. It will greatly assist our attendance percentage which is currently on the low side.

Train Report

Running day rosters for September are in the Bulletin. Next Train committee meeting is Wed 1 Sept at home of Keith Stas.

Youth Report

Bernie had attended meetings to try and encourage young people, Scouts etc. to support Anzac Day, Remembrance Day etc and be involved with the RSL in Drysdale.

Interestingly the RSL Hall in Princess Street used to be a local church and was purchased with funds raised from Drysdale townspeople as a place to display memorabilia etc from past wars.

Jeffrey Richardson

Keith W had bumped into J.R. in Geelong and he has been keeping well. Just back in Geelong for a few days before heading off again.

Guest Speaker – Russel Dale – Rotary Fellowships

Russel gave a very interesting talk on Rotary Fellowships which give the opportunity to travel or enjoy your hobbies with fellow Rotarians. This bonds Rotarians closer together and adds another dimension to being a Rotary club member.

The main activity groups were:: Rotary Friendship Exchanges

Sister Clubs: Vocational and Recreational Fellowships

Global Networking: Attendance at Conventions

All of these can be looked up on the Rotary International and District websites and there is a lot of good information available.

2011 Art Show – Mercedes reports:I attended two workshops last week in relation to the application of grants. The first one was for the Bendigo bank and the second one for the City of Greater Geelong Community Arts Grants.

At this stage we hope to apply for the CoGG grant and the maximum amount is \$6000. The timeline is tight so hopefully we will meet it. The Grant will be for the support of the Young Artists Mentorship Program. Jill Shalless was very complementary of this initiative and is keen to support it. She suggested that we target Year 10 students.

I also met with Craig from the Bendigo Bank and he will be meeting with the Board on Monday and will be putting to them the option of \$1000 or \$2000 sponsorship for our next's years Art Show. Keep our fingers crossed!
